
Surgeon Simulator: Experience Reality Free Download [License]

He's finally here! Surgeon simulator takes the emergency room into virtual reality! The most critically acclaimed and infamous game - Surgery simulator you have ever had. I have never seen it ... I have never come across a surgery simulator to even touch it ... This is a nurse simulator where I have to play as you to make you an ambulance nurse and be able to save lives. Just like in a real hospital, you will receive patients with urgent medical problems and answer their calls in your mobile phone. The hospital has a variety of different tasks that you must complete to become the best emergency doctor.
